CAREER OBJECTIVES

I am a Computer Science Engineering student with strong fundamentals in Java and SQL, seeking an entry-level opportunity to apply my programming and problem-solving skills in real-world applications. Currently completing my 3rd year of CSE, I am eager to gain hands-on experience, continuously learn new technologies, and contribute effectively to organizational success.

EDUCATION

Bachelor of Engineering in Computer Science And Engineering July 2023 - July 2027
Saveetha School of Engineering, Chennai
Saveetha Institute Of Medical And Technological Science, CGPA: 8.7/10.00

Intermediate June 2021 - March 2023
Sri Chaitanya Junior College, Kadapa, Andhra Pradesh, 94%

SSC, Class X June 2020 - April 2021
Nagarjuna Model School, Kadapa, Andhra Pradesh, 97.3%

SKILLS

Java, Python, SQL.

PROJECTS

Real Time Web Based Smart Blood Donation And Request Management System

• Engineered a smart blood bank management system with real-time blood inventory monitoring and streamlined data management.
• Implemented donor onboarding, blood group classification, intelligent search, and rapid matching for emergency scenarios.
• Integrated automated alerts, robust data validation, and optimized workflows to enhance accuracy, responsiveness, and operational efficiency.

Elder Shield – Smart Elder Care Safety Monitoring System

• Engineered a smart elder care system with real-time health monitoring, safety tracking, and centralized data management.
• Implemented elder onboarding, caregiver linkage, emergency SOS alerts, and location-based assistance for critical situations.
• Integrated automated notifications, secure data validation, and optimized workflows to enhance system reliability, responsiveness, and user safety.

INTERNSHIP EXPERIENCE

CyberSecurity Intern, Corizo Edu Tech,
• Conducted web application vulnerability assessment, identified security flaws, analyzed risks, and recommended mitigation strategies to strengthen application security. August 2025
Full Stack Developer Intern, ApexPlanet Pvt.Ltd
• Developed a responsive e-commerce platform with secure authentication, product management, and seamless cart-to-order functionality. October 2025

CERTIFICATIONS

- DataBase Certification Of **Oracle Database SQL Certified Specialist** , under Oracle October 2024
- Java Certication Of **Oracle java SE11 Certified Specialist** , Under Oracle. November 2024
